

Aboriginal and Torres Strait Islander Health Unit at the Mackay Hospital Foundation Family Fun Day

Sunday 2 June 2024

Our Aboriginal and Torres Strait Islander Health Unit was out in force at Sunday's Mackay Hospital Foundation Family Fun Day.

They also seized the moment to get a photo with special guest for the day, league legend Matt Bowen.

Members of the team are holding early readers to promote literacy and early childhood development, all of which feature Aboriginal authors and illustrators.

Hospital liaison officer and Health Equity artist Andrew Doyle, third from right, also conducted a rock painting activity with children which was a huge hit.
