

TOGETHER STRONG

Better Medication Access

Are you of Aboriginal and / or Torres Strait Islander origin?

Together Strong Better Medication Access will provide prescribed discharge and outpatient medication at Mackay Hospital and Health Service for Aboriginal and Torres Strait Islander people at no cost.

How it works

1. Tell us that you identify as Aboriginal and/or Torres Strait Islander. Health Service staff cannot assume upon appearance.
2. If you identify, you will be eligible for Together Strong Better Medication Access.
3. On discharge, or following your outpatient appointment take your prescription to the hospital pharmacy and let staff know that you identify as Aboriginal and/or Torres Strait Islander.
